My dear Sir,

Mr. de Tola is very anxious to have a copy of the able paper you inserted in the Leipzig ally. Zeit? in reference to the Damascus affairs, which he intends translating & publishing in the Times. It is to serve as an answer to a very malicious attack which appeared in that paper about a fortnight ago & which has been answered but in a very weak manner. As we dispatch our parcel to-morrow early I send my son this evening, in order to be able to forward it to-morrow!

30th Nov. Capt. to Mrs. L.

Sincerely yours,
Alphonse
